Class of works: I am writing in support of Class #2 (DVD Region Coding):
Audiovisual works stored on Digital Versatile Disks ("DVDs") that are not
available in Region 1 DVD format and access to which is prevented by
technological measures.

Summary:

Disc name: 7 animated disney 'classics' including Dumbo, Toy Story, The
Huntchback of Notre Dame, Beauty and the Beast, The Little Mermaid

While on vacation in Brazil our family purchased several movies for our
daughter to watch when we came back to the U.S. I purchased Dumbo, Toy Story,
The Huntchback of Notre Dame, Beauty and the Beast, The Little Mermaid and
several other titles. But when we got back to the United States we found out
that we should have brought the DVD player with us also. Because the movies
that we purchased don't play in DVD players made here in this country. So now
I have to wait until the next time we go on vacation to be able to watch the
movies that we purchased. And that will probably be another year.
